

Discover the Subscription Advantage Autodesk Subscription Tutorials

Accessing Subscription Center

The Autodesk® Subscription Center is a password-protected website that provides direct access to Subscription benefits.

Learn to create an account, retrieve lost user IDs or passwords, and access Subscription benefits.

Using Subscription

Learn how to use Autodesk® Subscription benefits and how to download software from Subscription Center.

Learn how to download exclusive Subscription Advantage Packs and other product enhancements through Subscription Center or from within your Autodesk software.

Managing Subscription

Each Autodesk® Subscription account has a designated Contract Manager and Software Coordinator responsible for granting access to Subscription benefits, obtaining exclusive licensing rights, and more.

Learn more about the responsibilities of Contract Managers and Software Coordinators.

Subscription Tutorials can be found at
